# From sketch to product

At dothat, we take an individual approach to every order, allowing customers to choose their preferred customization path - whether refining an existing product, such as lace chamrs, or creating a completely new gadget from scratch.

\* *Additional personalization options*

As part of our collaboration with the WK DZIK brand, we designed and produced a **date indicator for a three-section calendar** in the distinctive shape of a wild boar, inspired by the brand's logo.

The order was completed comprehensively, including a **custom-designed wall calendar**.
